Soluciones Electrónicas

The background features a dark blue gradient with faint, light blue circular patterns and a scale. The scale is a large arc on the left side, with markings from 140 to 260 in increments of 10. Several smaller circles with arrows indicating clockwise or counter-clockwise rotation are scattered across the image.

The image shows a 'New Project Wizard' dialog box, specifically 'Step 4/6'. The title bar reads 'New Project Wizard' with a close button (X) on the right. The step indicator 'Step 4/6' is displayed in a blue header bar. Below this, a yellow instruction box states: 'Add project files if they are available at this point. You can always add project files later using the Project Manager in IDE.' The main area is titled 'Add File To Project:' and contains a text input field with a file icon button to its right. Below the input field is a large empty list box with the header 'File Name'. To the right of the list box are three buttons: 'Add', 'Remove', and 'Remove All'. At the bottom of the dialog are three buttons: 'Back' (with a left arrow), 'Next' (with a right arrow and highlighted with a blue border), and 'Cancel'.
